**University Antwerp**  
September 2022 – July 2023

**Diploma Math and Science**  
**KOBOS Secondary School**  
September 2016 – July 2022

### PROFILE

I'm a junior developer whose primary passion lies in bringing other people's vision to life. I feel most at home in an environment where the goals are set and expectations are clearly communicated so I can fulfil the requests to the best of my ability.

While my preference lies with programming, my experience with design allows for additional insight in the creation process for an overall smoother conversation and cooperation experience.

### EXPERIENCE

**August 2024 & July – September 2025**  
GB Foods Belgium - Puurs

#### **Receptionist & Marketing Assistant**

- 3 days per week – Worked the front desk reception taking and redirecting phone calls, greeting visitors, accepting and sending mail and other similar tasks
- 1 day per week – Worked as an assistant to the marketing team to stand in for an absent employee, workload varied
